Team & Singles Eligibility

1. All players must have a minimum 32 games in no less than 8 weeks of league play in the current league season.
2. A Team may draft up to two (2) players from the same league system.
3. All players must be current members of a MOMA sponsored league.
4. Master/AA Division can consist of any 5 players from the same league system and will be handicapped based on Team CompuSport Rating (CSR) Total of Top 5 players. Any team totaling CSR 9,000 or more will play in Master/AA Team Division.
5. For the A, B, and C Team Divisions, the field of entries will be split and divided by their CSR Rating Total of Top 5 Players. The top teams will play in A, the middle teams in B, and the lower teams in C.

Sub Rule: Each team may use up to two (2) substitutes to be entered into the team's match line-up prior to the start of play. No player should play any other player more than once unless there is a tie. In the event of a tie: select a player from each team, flip for the break, and winner wins the match.

All players will be placed into the Singles and Team events based on their CompuSport Rating (CSR). If a player doesn't have a robust CSR, a rating will be assigned to that player at the discretion of the league operator and MOMA Tournament Director. Also, if a CSR rating seems "skewed" in any way, the league operator and MOMA Tournament Director have the right to adjust that player's CSR rating according to Known Ability.

Game Formats for Team Events:

Open Master/AA = 5-person team = 25 games

Open A, B & C = 5-person team = 20 games

Women's Master/AA & A = 4-person team = 16 games

All divisions are a Race to Points. Ties will be determined by choosing one player from each team, flip for break, and winner wins the match.
