1. No league dues. Players split the cost of each game they play.
2. 7:30 p.m. start time with 15 minute grace.
3. League shoots a 3 player/9 game rotation format.
4. Handicap will be given to any team deserving it, based on averages.  
There is no limit of the number of handicap points given a player round.
5. The first 2 weeks shoot scratch and then using established average after that.  
New players coming in after that, come in with a 7 average, UNLESS they are a player of a higher average *known* ability.
6. Open substitution (can sub for any team in the league). Use average of combined scores.
7. Home team captains are responsible for entering match on Compusport & keeping a paper copy of scoresheet.
